

CERTIFICATION PROGRAMS

US Domestic Erector^{1,2,3,4} Fee Schedule

Base Certification Fee — Effective June 27, 2024

Erector		\$5,490
Additional Fees		
Each Endorsement		\$510
Application Fees		
Initial Application Fee The fee is in addition to the Base Certification Fee listed in the above chart. This fee only applies to a company's initial application for certification. The fee is non-refundable.		\$2,000
Expedited Application Process Optional for either a initial applicant or a certified participant's Scope Change. Includes moving to the top of the list for reviews (eligibility and corrective action request review), the Stage 1 audit, and the site audit will be conducted within 60 days of the Stage 1 completion. The fee is non-refundable.		\$6,500
Certification & Endorsement Scope Change (Optional for participants only) Applicable when a participant requests an additional certification or endorsement. This will include an eligibility review, Stage 1 audit, and a site audit.	Contact AISC	
Pre-Assessment/Gap Analysis (Optional) The pre-assessment is conducted to assist a company considering certification or needing to improve its quality management system (QMS).		\$3,000
Audit Fees		
Rescheduled Site Audit Applicable if an auditee has an approved request to their annual, renewal audit. Please see Sections 4.3 & 4.4 of the <i>Governing Requirements for Certification Programs</i> .	Contact AISC	
Additional Site Audit Applicable as a follow-up to a renewal, initial, appeal, or complaint audit, and it may be required for the participant or applicant's certification to continue or be granted. Please see Section 7.4.1 of the <i>Governing Requirements for Certification Programs</i> .	Contact AISC	
Refunds		
Eligibility Review Refund If the review is not successfully completed or the application process ends after it is completed, the applicant's fee will be refunded minus the "review fee" to the right.		\$1,000
Stage 1 Audit Refund If the Stage 1 is not successfully completed or the application process ends after it is completed, the applicant's fee will be refunded minus the "review fee" to the right.		\$2,000

1) The top chart list fees for a single certification or "base certification." All other fees for additional certifications, endorsements, and other services are listed in the bottom chart.
 2) Participants and Applicants must have an active jobsite in the United States and comply with OSHA. Please see Section SE2.5 of the *Supplemental Program Requirements for Erectors*.
 3) Participants/Applicants located in U.S. Territories, please contact AISC at certification@aisc.org for payment information.
 4) The fee amounts shown in the AISC Certification Fee Schedule represent the net amounts due and do not include any applicable taxes or withholdings levied by jurisdictions inside or outside of the United States of America. Applicants and participants are required to remit the full fee amount and are responsible for any applicable taxes or withholdings.
