

steel galvanizer listing

The following is a listing of structural steel galvanizers compiled from the membership list of the American Galvanizers Association (AGA) and other sources.

→ Members of the American Galvanizers Association are noted in **blue**.

→ The dimensions following the name of each galvanizer refer to the galvanizer's largest kettle size (length × width × depth).

→ Web sites are noted in **red**.

Be sure to check out the article "Galvanizing Tips" in this issue. For more information on galvanized steel, visit the AGA web site:
