EMPLOYMENT NATIONWIDE IN STRUCTURAL/MISCELLANEOUS/ and STEEL BRIDGE FABRICATION

ProCounsel is in communication with over 3,000 Structural, Miscellaneous and Steel Bridge Fabricators. There is a big, urgent demand for your knowledge and your years of experience. We can market your skills to the steel fabrication industry without identifying you. Further, we can target a specific geographic area. So we can place you in the city or state of your choice, at the right money, in the right job for you. The employer pays the employment fee and the interviewing and relocation expenses. If you've been thinking of making a change, now is the time to do it. The right location, the right job, at the right money.
