QMC Contract Auditor

Quality Management Company, LLC is seeking contractors to conduct audits for the AISC Certified Fabricator and AISC Certified Erector Programs. Contractors must have knowledge of quality management practices as well as knowledge of audit principles, practices and techniques and knowledge of the steel construction industry. If you are interested, please submit your statement of interest contractor@qmconline.org.

Are you looking for software, products, or services for your next project? You can find it in *Modern Steel Construction's* online product directory.

www.modernsteel.com/products

If you're a provider of software, products, or services and would like more information about being listed or enhancing your current listing, contact Louis Gurthet at:

gurthet@modernsteel.com or 231.228.2274

Modern
STEEL CONSTRUCTION

Looking for something from an old issue of *Modern Steel*?

All of the issues from *Modern Steel Construction's* first 50 years are now available as free PDF downloads at www.modernsteel.com/backissues.

Visit steelTOOLS.org

See what's new at AISC's revamped file-sharing and information-sharing website.

Here are just a few of the FREE resources now available:

- More than 160 steelTOOLS utilities available for downloading
- Files posted by your peers in special interest libraries, including:
 - A Pocket Reference to W Shapes by Depth, then Flange Width
 - Welding Capacity Calculator
 - Moments, Shears and Reactions for Continuous Bridges
 - Video: Bridge Erection at the SeaTac Airport

Got Questions? Got Answers?
Check out steelTOOLS.org.
